

The Lion's Pride

New Student Referral Incentive Program

WHAT IS IT?

The Lion's Pride New Student Referral Incentive Program awards a referring Carolina Christian School family with a \$500 tuition credit for each new family that is referred to and actually enrolls in and attends Carolina Christian School.

WHO IS IT FOR?

The referral program is for parents or guardians who are paying tuition for enrolled students (K-12th grade) attending Carolina Christian School at the time of credit distribution.

WHEN IS IT AWARDED?

A \$250 incentive award per newly referred K-12 family is applied two times per school year in October and March. Referred students must be enrolled at the beginning of a semester for the referring family to receive their first distribution. (If a referred student begins mid-semester, the referral award distribution will begin during the second semester of enrollment.)

- Families who pay monthly payments will receive a credit to their account.
- Families who pay their tuition in full before the school year begins will receive an incentive award check.

HOW DO I REGISTER FOR IT?

- An online referral submission form must be filled out by the submission deadlines.
 - ◊ Submission deadlines: September 15 for October award; February 15 for March award.
- Turning in a completed Referral Incentive Program form after the deadline will reduce the award by half (family will receive second distribution only).
- Failure to fill out a completed Referral Incentive Program online form will make the referring family ineligible for the reward.

WHAT ELSE DO I NEED TO KNOW?

Incentive award consideration is limited to the referral of brand new families enrolling students in CCS and does not apply to students transferring, returning, or advancing from Carolina Preschool, nor families who have previously had students at CCS.

The New Student Referral Incentive Program form will be available online at carolinachristianschool.com by using the Referral Incentive link under the Parent Resources tab.
